## Annual Math Vantiga

Paying the annual Math vantiga is not mandatory. But it is a sacred duty of every bhanap who is gainfully employed. Math depends on the vantigas and sevas performed for daily viniyogas and maintenance of all sacred samadhis. Even though the vantiga can be given at any time during the fiscal year, the members are requested to remit their annual vantiga preferably in the beginning of the year. Those who are not certain whether they have paid their vantigas can call the Sabha Treasurer at any time. It is hoped that the members will pay their 2009-2010 and 2010-2011 vantigas as soon as possible.

**\*\*Note:** It is preferred to have the majority Vantiga collections finished before the end of October 2010 so that Vinayak Shanbhag can remit the drafts and cheques by the end of November or early December 2010 to India. If anyone prefers to give post-dated cheques in Indian Rupees for a bank in India (favour of Shri Chitrapur Math) or in dollars for a local bank (favour of CSCS), CSCS would be able to facilitate such an arrangement as well.

Please note that all the vantiga collection will be sent to Chitrapur Math by end of Feb 2011. Also CSCS will sponsor the Chitrapur Math 2011-2012 calender.
