## Annual Math Vantiga

Paying the annual Math vantiga is not mandatory. But it is a sacred duty of every bhanap who is gainfully employed. Math depends on the vantigas for sevas performed for daily, viniyogas and maintenance of all sacred samadhis and math facilities. Even though the vantiga can be given at any time during the fiscal year, the members are requested to remit their annual vantiga preferably in the beginning of the year. Those who are not certain whether they have paid their vantigas can call the Sabha Treasurer Vinayak Shanbhag (email: vvshanbhag@yahoo.com or ph: 905-286-4896) at any time .

We have remitted all the vantiga collected so far to the Math. It is hoped that the members will pay their 2010-2011 and 2011-2012 vantigas as soon as possible.

## Sponsorship Appeal from Chitrapur Heritage Foundation— USA

### Sponsor-A-Student Program

Dear Friends:

Since 2005, Chitrapur Heritage Foundation has supported Shri Chitrapur Math and Srivali Trust in Shirali in their cultural preservation projects including a Green Energy Project. This support is made possible through generous donations of our Bhanap community members like you.

Last year, your generous donation helped CHF organize a workshop on renewable energy for students of Srivali High School and also helped fund a Microfinance Program of Srivali Trust's Parimochana Project that provides microloans to Chitrapur community members to start and nurture small businesses.

This year Srivali Trust has requested, and CHF has agreed to provide, financial support for their Sponsor-A-Student (SAS) Program to help deserving students attend Srivali High School that has consistently seen a graduation rate that exceeds 95% every year for the past three years.

CHF has committed to support 100 students every year for the next three years. At a funding level of \$250 per student per year., CHF will need to raise \$25,000 per year to fulfill the dream of 100 students to attend Srivali High School. While we have already raised the first tranche, our goal is to raise \$50,000 for this SAS Program for academic years 2011-12 and 2012-13.

We hope you will join us once again in reaching our fund-raising goal of \$50,000 for the SAS Program.

Srivali Trust is currently constructing a new school building and will need new computer lab, sports equipment, and a new outdoor playing field complete with annual landscaping service. Should you wish to separately fund new school construction, computers for the computer lab, a solar PV system for the computer lab, sports equipment, etc., please let us know and we will provide additional information.

Your donation of \$250 per student per year will help Srivali High School to sustain the school's operating expenses that includes midday meals, student uniforms, school supplies, teacher and staff salaries and utilities and maintenance costs of the school.

To send your generous donation, please send a check payable to Chitrapur Heritage Foundation to:

Chitrapur Heritage Foundation  
50 Eastern Drive  
Kendall Park, NJ 08824

For more information, please contact me directly at arheble@yahoo.com, or 215-666-3200.

We sincerely thank you for your time and continued support.

In the service of Shri Chitrapur Math and our Guruparampara,

Yours Sincerely,

on behalf of  
CHF Board Members
